> Compliance that pays for itself the first time it keeps you out of a finding. Start free on one asset — scale to a whole operation when you're ready.

WHAT IT DOES

- Excursion detection across your assets
- Leak-rate tracking and refrigerant obligations
- PDF audit-trail reports for inspectors
- API ingestion for existing sensors (Multi-Site)
- FSMA 204 workflows and Part 11-aligned records (Enterprise)

THE THERMONEURAL GUARANTEE

- Your data is yours. Everything you build in a ThermoNeural product can be exported in open formats — CSV and PDF — with one click. If you cancel, your account continues on the Free plan and nothing you created is deleted.
- Cancel anytime. You can manage or cancel your subscription yourself, from your profile, in one place. No phone calls, no emails, no retention scripts. Cancellation takes effect at the end of your current billing period.
- 30-day money-back. If your first invoice on any paid plan doesn't earn its keep, email support@thermoneural.com within 30 days of payment for a full refund. No forms, no interrogation.
